As a Kirman Hotels group, the health of our valued guests is very important to us. Our priority is to offer you an accommodation and vacation option where you can feel hygienically safe. To this end, we would like you to briefly review our hygiene and cleaning measures, which we have increased to be prepared for the Covid 19 pandemic and other possible epidemic risks that may arise later.

- In all of our hotels, guest rooms, restaurants, bars, spa and wellness areas, playgrounds, common spaces, meeting rooms and all other guest areas and kitchen areas, staff areas, offices and warehouses are disinfected in detail.
- The disinfection procedures carried out by professional teams are continued on a regular basis.
- In addition, specially deployed disinfection teams work around the clock in our hotels.
- In all of our general locations, toilets and at every point where they are needed, there are hand disinfection devices and devices, the filling of which is carried out carefully.
- The room keys that carefully disinfected and personally packaged are used in our hotel. Our guests can open their own room without any contact while on vacation with these keys.
- At check-in, all children receive a disinfected and packaged game bag. All products (colored pencils, play dough, various toys, UNO game cards, etc.) are individually packed as a gift for every child.

- The utilization capacity of elevators are especially limited because of Covid 19 measures. So that the elevators can be used by the guests who only members of a family or at most two people who don't know each other.
- All sitting groups in common areas in the hotel have been arranged into account safely social and physical distances.
- Self-service is not allowed in all of our restaurants and bars, bars. Our chefs are always present at the buffet and serve the foods to the guests and our waiter take your order and serve your drinks to your table.

- Our Guests can reserve their table for the main restaurant or sun beds during their holiday from Guest Relations. In this way, our guests can enjoy their own tables or sun beds which are cleaned and disinfected everyday during their entire vacation.

- All sports equipment, machines and accessories in our fitness room are at an appropriate distance from each other and are carefully disinfected after each use.
- Our Guests can use the Fitness Room between 07:00 and 19:00 after making a reservation by Guest Relations or Reception.

- Extremely hygienic conditions were created in the Turkish bath, sauna and massage rooms. Before our guests want to use Turkish Bath, Sauna or Stream Bath they have to make a reservation in Spa Reception. All reservations are arranged according to social distance and disinfection rules. Therapists use gloves and masks during the treatments.

- Our employees must wear masks / visors during working hours in the hotel.

- Due to Covid's precautionary measures, the indoor mini club, indoor play area and Play ground on the mocca terrace, shisha stand, disco and indoor pool are closed.

- Our guests can easily access the fact sheet, the online check-in, the health facility controlled by us and Covid-related information by scanning the QR codes on advertising boards in the hotel area.

- All of our hotel guests can download Kirman Hotels Application free of charge on their phones and access all information. All inquiries and complaints made via Kirman Application reach our managers directly.

- Room service: This service is not offered in our hotel due to Covid measures. It can be ordered foods to the room only for our sick, older or infant guests. is it possible to order food in the room. This is delivered to the door of our service staff, no service is allowed in the room.
